

President's Report

February 5, 2021

- **Year to Date**
- **Covid...of course**
- **Strengthening the Foundation**
- **Questions**

- **Year to Date**
 - **Over 200 students on campus**
 - **Under 20 still remote, with expectation we will end with 10 remote**
 - **Students and staff rising to the challenges, though not perfect (unlike all other years!)**
 - **Food**
 - **Classroom challenges, esp. sciences**
 - **Loss of face to face relationship building/all community gatherings**
 - **Racism rearing its ugly head**
 - **Room changes to accommodate winter break quarantine**

- **Year to Date continued**
 - **Spring looking brighter**
 - **Food situation improved, new GM in place (previous GM great, transition + Covid was difficult)**
 - **Students settled into their rooms on time for increased academic focus in the coming months**
 - **More opportunities for outdoor adventures/relationship and community building**
 - **Constructive approach to racism, with Black Caucus formed and many white allies**

- **Covid**
 - **Spring looking brighter**
 - **XX% staff already vaccinated with first dose**
 - **XX% staff vaccinated with second dose**
 - **First student received vaccine last weekend, though still unsure about wide availability**
 - **Special thanks to Nerve Center, and especially Naomi, Taylor and Victoria L for prioritizing the relationships w/DOH, DOEM!);**
 - **We will continue with protocols**
 - **San Miguel County back in yellow, so increased capacity at Fieldhouse and another round of considerations around visitors.**
 - **Next year planning underway based on lessons learned**

- **Strengthening the Foundation**
 - **Focused on same 5 goals (who can put them in the chat first? UWC-USA swag to the winner; Todd may not participate.)**
 - **Phase one well underway, though slowed by Covid**
 - **Reminder: there is a lot to do**
 - **Website to give an idea of progress**
 - <http://strategy.uwc-usa.org/>

- **Questions for me and/or SLT**
