# Education Committee- Goal 2021-2022

---

Create dashboards for Academic, Residential and Experiential.

Use key indicators that are systematic, repeatable and measurable.

Finalized by the end of the school year 2021-2022.

# Progress on Goals 2021-2022

---

- The residential dashboard is nearly completed and will be used to report to the board at the Winter board meeting February of 2023.
- The academic dashboard is in progress, Marisa and Klaus have met and identified initial indicators and will present proposal of these to the academic team at school for their input.
- The experiential dashboard is in progress and will be used to report to the board for Spring board meeting June of 2023.
- Over the next two years, goal will be to align dashboard formats

## Indicators for the Experiential Dashboard

---

- [IB Learning Outcomes](#), slightly modified for UWC-USA
  - Aggregate and share [portfolio scores](#) for each outcome annually
  - See appendix of [exemplary portfolios](#)
- Create rubric based on semester feedback for Signature Programs (Arts and Culture, Constructive Engagement of Conflict, Sustainability and Wilderness) Impact
  - Events/Activities/Participants
  - Key Partnerships
  - Outcomes
- Pilot entry and exit surveys based on modified [Claremont Purpose Scale](#) which gauges all three dimensions of the purpose construct, including goal-directedness, personal meaning, and a beyond-the-self orientation.

## Indicators for the Experiential Dashboard

---

- Questions we are still considering:
  - What are we trying to accomplish and measure?
    - Continue to articulate program priorities with each cohort.
  - How do we measure success and how do we staff that measurement/analysis?
  - How do we link the different assessments across programs?
    - Do we see student success in one area enabling success in another area?
  - How do we adjust for program changes over time and the occasional program disruption?
  - How do we consider diversity throughout our assessment process?
  - Over time, how do we streamline and assess most effective ways to measure Constructive Engagement of Conflict and Sustainability?

## New Education Committee Members

---

- Given that Marisa will be rolling off the board next summer, the committee wanted to ensure we have an additional educational leader in the committee. We have invited Luis Ottley to join the Education Committee and he has kindly accepted.
- Luis has been a Head of School since 2011, and a Middle School Principal and Admissions officer before that. Luis is also an alumnus of the class of 1987. Luis grew up in Panama before attending UWC USA.

Welcome Luis!

# Associate Head of School- Update

---

- Todd Austin will assume the Interim Associate Head of School position June 1, 2022. All aspects of student programming – academic, experiential and residential – as well as admissions and college counseling – will report to the Interim Associate Head of School to support greater program integration and ensure cohesive program alignment with the strategic plan.
- Associate Head of School Position has been posted for start June 1, 2023. <https://www.uwc-usa.org/about-us/search/>
- Advertising in several places
- Education committee chair/members will meet with final candidate
